Senate Committee on Student Discipline

REPORT ON ACADEMIC INTEGRITY VIOLATIONS (FY17)

The Student Code requires that the Senate Committee on Student Discipline act as a clearinghouse of all academic integrity violations found by instructors, departments and colleges. Specifically Section §1-405(d) states:

"The executive director of the Senate Committee on Student Discipline shall compile an annual report to the Senate on the number and severity of such infractions of academic integrity, without identification of the individuals involved. The report shall be available to the public."

This report reflects all violations of the academic integrity policy reported to the Senate Committee on Student Discipline which were fully resolved (appeal process has expired) from July 1, 2016, through June 30, 2017. Cases which are still on appeal will be reflected in next year's report.
